May 2014

High Vista Amenity Association, Inc.

www.highvistapoa.com

In this edition: Pub expansion and renovation recap; Save the dates; Event & activity details; Monthly Calendar; “A Big thanks” to all of our volunteers in the month of April

Facilities Committee Update

The renovations are finally completed on the Robinson Pub, Cordell Room and kitchen and could not have happened without all of the hard work and time that our Facilities committee and numerous other volunteers put in. We received our final inspection on 4/24 and the staff is now working on the final touches as well as setting up the kitchen and bar.

Kitchen expansion; kitchen has increased by 100%

New equipment has been added to the kitchen including a new grill & exhaust hood enabling the food and beverage team to better serve the members and guest in the pub; with more to come later

Women’s “locker room” converted to pub space adding additional seating including a cushioned bench

New carpet was installed throughout the Robinson Pub & Cordell room & hallways

All wood has been refinished or freshened up; ceilings & walls painted

Pub tables and the bar have been refinished with a durable coating which will eliminate the need for table cloths

All the chairs have been recovered with new fabric

The bar area has been redesigned and re-organized with a simplified elegant look

The entire building has been converted from propane to natural gas which should save in energy costs up to \$8k-\$10K annually

We anticipate a “soft” opening by the 1st of May (all activities and food service will move to the Robinson Pub as of Wednesday, April 30th. We are planning a “Grand Opening” open house on Saturday, May 10th from 11am until 8pm. Food and drink specials will be offered as well as door prizes throughout the day. Look for next week’s eblast for more details. A financial recap of the Robinson pub renovations will also be provided in next month’s newsletter.

If you have any questions, please contact Michael Everhart who led the renovations at michael.everhart@att.net

Social Committee Update

We’ve fallen into a routine regarding our spring/summer activities. Every Wednesday is “Member Social night” at the pub, every Thursday is “Pull the Joker” and there is an event or activity that falls on each Friday of the month. The first Friday of every month is “Team Trivia”, the second Friday is “TGIF”, the third Friday is “Beach Bingo” and the 4th Friday is “9 & dine”. These activities would not be sustained without the help of members. Each month we rotate a volunteer for Trivia and Bingo to run the game(s) and each month 2 households sponsor TGIF. Please consider taking a turn in the upcoming months (see page 3 for more information and the available months). It keeps the games fresh and diverse by having a different member contribute too! We will also be bringing you some interesting events over the next few months. See page 2 for some of those, like wine tasting in May and a magic show in June. We will also be kicking off our “Music on the Green” event beginning in June. Thanks to the social and kid’s committees for all of their ideas, planning and contribution thus far– they have shaped these events and activities for all members to enjoy!

Please contact marybethford@yahoo.com if you have suggestions or would like to contribute to the social committee, chair an event/activity or be a sponsor.

Member News:

From fellow member, Kevin Gaylord: CONGRATS Kevin!

I am extremely excited to announce that my 2nd novel is in print and available on Amazon and Kindle! I am especially excited to alert our community because I have entitled the book, High Vista. With the title being quite literally 'so close to home' and I am confident that many residents will not only enjoy the book itself, but find some joy in having a book that shares the name of our community and was of course written by one of their neighbors!

Here is a video trailer link for a brief overview:
